## Ciba® XYMARA™ – Show Personality

Character makes a lasting impression. Personality creates loyalty.  
Individuality is different.

Businesses and their products and services need to succeed in the relentless struggle against evenly matched competitors. Those who stand out from the crowd, who create a unique character and a unique image or who position themselves distinctively, will win through. Attention to detail is crucial. Ciba® XYMARA™ offers you a generous palette of exceptional effect pigments – small differences that can provide your business or product with a vital competitive edge.

The cool shimmer of silver or an explosion of golden sparks – show character. Select the effects you need from the broad palette offered by Ciba® XYMARA™.

Make your vision a reality. Ciba® XYMARA™ provides comprehensive solutions and the essential expertise for every stage of the added value process in the following industries:

- Automotive
- Packaging
- Paper and Graphics
- Electronics and Consumer Goods

## Ciba® XYMARA™ Satin Black Pearl

Introducing an innovative and stylish satin black which stands out from the crowd in a world of gray.

The combination of a clean, soft black with a hint of shimmer effectuates a subtle yet striking impact on flexible packaging, labels, interior and in-mould decorations whilst imparting a sleek and elegant semblance to cosmetic packaging.

Ciba® XYMARA™ Satin Black Pearl is suitable for use in a wide range of ink systems and is suitable for use in flexographic, gravure, screen and offset processes.

Broaden the scope of your current styling possibilities.

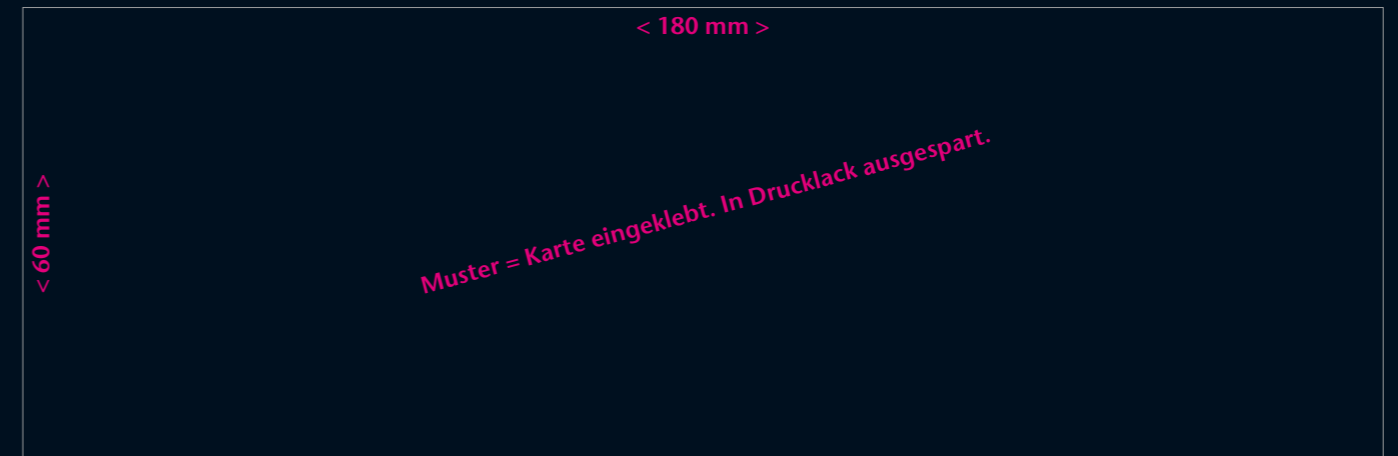

Create subtle yet unique clean dark satin pearlescent effects with Ciba® XYMARA™ Satin Black Pearl.

Enter a World of Emotions and find inspiration for your design.

Ciba® Effect Pigments – turn dreams, fantasy and fiction into reality.

## Ciba Specialty Chemicals – Create Value

Our specialty chemicals, added in small quantities, improve existing or add new qualities to materials at every stage of their production process. As well as products, Ciba Specialty Chemicals offers a wide range of knowledge-based services and expertise, providing customers with complete solutions to enhance their businesses. All our business activities are driven by five major values:

- Performance – We are committed, reliable and credible.
- Customer first – We are dedicated to the success of our customers.
- Innovation – We innovate across the whole company.
- Leadership – We lead by example.
- Sustainability – We create sustainable value.
